

Coral

Coral has recently undergone an extensive renovation and has blossomed as a contemporary style, comfortable 2 bedroom villa with views west to the Caribbean Sea and sunset. Located in the heart of the exclusive, gated residential community of Terres Basses, Coral is fully air conditioned and offers all the modern conveniences to ensure an idyllic stay. Comprising a living, dining & kitchen area that open out on to the covered terrace offering further dining for up to 8 guests. The 2 bedrooms with en suite bathrooms are located on each side of the living area offering privacy and seclusion. The new infinity lap pool invitingly inspires the thought of exercise, but this soon passes with the delicious aromas from the barbeque!

This is a wonderful villa for 1 or 2 couples or even older families. The villa is located within a 5 minute drive of 3 beautiful beaches.
